SUMMARY

Reliable and motivated professional with experience in logistics, transportation, administrative support, and military operations. Strong work ethic, adaptability, and discipline developed through service in the Brazilian Army and self-employed work. Seeking an opportunity to contribute, learn, and grow in a professional environment.

EXPERIENCE

❖ Truck Driver, Independent contractor Mar 2025 — Current

Francisco Beltrão, PR, BRASIL

- ◆ Self-employed truck driver responsible for cargo transportation, deliveries, route planning, and safe handling of goods.
- ◆ Operated trucks on designated routes, ensuring timely delivery of goods to clients in various locations.
- ◆ Planned delivery routes considering road conditions, traffic, and travel time efficiency.

❖ Soldier - Brazilian Army, Brazilian Army Feb 2023 — Mar 2025

Francisco Beltrão, PR, Brasil

Administrative Assistant and Soldier – Brazilian Army. Performed administrative duties including personnel records, disciplinary files, military movements, and control of administrative processes. Served as an active-duty soldier with operational responsibilities, qualified in handling standard military firearms and trained in field operations. Licensed to operate light military vehicles and drove under severe conditions, including flooded and partially submerged roads, ensuring the safe transport of personnel and equipment. Participated in **Operation Taquari II**, a humanitarian relief mission during the floods in Rio Grande do Sul, supporting logistics, transportation, and assistance to affected communities. Demonstrated discipline, adaptability, teamwork, and strict compliance with safety and military regulations.
